SENATOR BARNETT: Mr. President, I would move that we reconsider our action on LB 126 and also at this time I would like to inform the body that if they'd look on page 436 there is an amendment offered to this bill that takes care of, I think, what Senator DeCamp raised as the objection to the bill. I think that it removes that stigma and if we do reconsider it at this time after we get it back I would like to offer that we take it back to Select File and add the amendment. This had to do with the deductions on the . . . from the salaries of all the people that would like to have deductions in their bills. What the amendment does, I guess I can't talk on the amendment now. I'm stating that I will offer this amendment to try to correct this solution and the problem that Senator DeCamp raised, if we move LB 126 and take action to reconsider our action on that Final Reading. We didn't get enough votes to pass it. We were one or two short. There was quite a bit . . . quite a few people absent at the time. Now I would ask that I get the required 30 votes so that we could reconsider our action on LB 126.

PRESIDENT: Senator DeCamp.

SENATOR DeCAMP: Mr. President, I am voting for the reconsideration with the understanding that these amendments would be placed on if we raised the bill. I have read them over and they do meet the objection raised by myself and the Attorney General's office. I encourage you to raise the bill.

PRESIDENT: Are you ready for the question? The question is the reconsideration of LB 126 and the motion by Senator Barnett, who was on the prevailing side at that time to reconsider LB 126. Record your vote. Would you record your votes please. Yes Senator.

SENATOR BARNETT: I'm going to have to request a Call of the House. I know we've got two or three, maybe four or five people that do support it. If I keep talking long enough I can probably withdraw that.

PRESIDENT: Would you repeat that please, Senator Barnett.

SENATOR BARNETT: I . . . thank you very much.

PRESIDENT: No. Would you repeat that Senator Barnett.

SENATOR BARNETT: I would like to ask for a Call of the House.

PRESIDENT: Did you get that Mr. Clerk?

SENATOR BARNETT: OK. I withdraw the request.

PRESIDENT: Record the vote.

CLERK: 31 ayes, 10 nays.
